

Office of Career Services (OCS), IIT Delhi welcomes all eligible students to participate in the Placement Process for the academic year 2025-26. IIT Delhi extends all support to try to ensure that students are given the opportunity to streamline their career interests.

OCS continuously endeavors to ensure that IIT Delhi continues to be the most favored destination for recruiting organizations. This is possible only with the assistance and full co-operation of all students.

To maximize the sum of benefits to all the stakeholders, the Placement Policy for the students has evolved over the years. To realize a win-win situation for IIT Delhi and our partner organizations, all students are mandatorily required to understand the Placement Policy and follow it strictly. It may be noted that some policy changes may take place during the year in the best interest of the institute.

The student policy is applicable to all students of IIT Delhi and is to be followed during the entire duration of the internship season.
